FoodAid is a community service project helping the people of the Southern Highlands NSW Australia. The FoodAid food hamper program provides a full week's worth of nutritious provisions, tailored to each family's size and needs. Each customized package includes two generous boxes filled with fresh fruits and vegetables, an assortment of bakery items, a well-stocked bag of essential pantry staples, and meat selections for the fridge and freezer. Our hampers ensure that each person can enjoy two substantial meals per day, helping to provide consistent food security and nourishment for families in need.
